My signature below certifies that I have completed all of the sections of the form completely, accurately, and to the best of my knowledge. I further certify (1) that I am not enrolled in any federal or state subsidized healthcare program, including Medicare, Medicaid, Medigap, VA, DoD, or TRICARE, that cover outpatient care, including for physician-administered or prescription drugs, or otherwise cover LEQEMBI; (2) that I have disclosed all of my current insurance coverage; and (3) that I will not seek reimbursement for my out-of-pocket expenses from any third party payers including from a flexible spending account, a healthcare savings account, or a health reimbursement account.

I agree to notify and shall be responsible for notifying the program administrator for the LEQEMBI Copay Assistance Program if I no longer meet the eligibility criteria for the LEQEMBI Copay Assistance Program.

If I am enrolled in the LEQEMBI Infusion Copay Assistance Program, I also provide consent for the LEQEMBI Copay Assistance Program to provide payment information for approved claims, in the form of a 16-digit virtual debit card number, directly to the provider, pharmacies, or alternate site of care identified on this enrollment form to be applied directly to my out-of-pocket costs for LEQEMBI.

I understand that the benefit available under the LEQEMBI Copay Assistance Program is limited to my out-of-pocket cost for LEQEMBI only. The program does not cover any other out-of-pocket costs, including medical administration charges.

I understand that Eisai Inc. reserves the right at any time and without notice to me to modify and/or discontinue any or all of the LEQEMBI Copay Assistance Program, including modification of eligibility criteria and immediate termination of assistance.
I understand that I may decline to sign this form and decline to be considered for the LEQEMBI Copay Assistance Program.
